# A LETTER FROM THE FOUNDER

## MINISTER EFFECTIVELY...

### ...IN THE LOCAL CHURCH...

North Carolina College of Theology will ignite in you a passion for God's heart, for His people, and for His kingdom. The book of James says that faith, if it has no works, is dead. Therefore, it is important to combine passion with practical knowledge in order to minister productively and be a blessing to others.

Students at NCCT are trained and equipped to step out in faith and engage in practical ministry with guidance, support, and feedback of the faculty. With quality Biblical education and practical application, students receive the tools necessary to enhance every facet of ministry within the local church and beyond. At NCCT, we believe it is an honor to serve the Lord and His People. Therefore. Students are taught to become effective ministers and church leaders who serve the Body of Christ with humility, power, and love.

1 Corinthians 2:4-5

*And my speech and my preaching were not with enticing words of man's wisdom, but in demonstration of the Spirit and of power, that your faith should not stand in the wisdom of men but in the power of God.*

## ...IN THE WORLD...

We believe God's heart is to establish His Kingdom throughout the whole earth. Therefore, NCCT students are given the exciting opportunity to travel to other nations to minister to the practical and spiritual needs of people in a culture different from their own.

Students, who choose to participate, serve alongside local pastors, preach and reach in a variety of settings such as home groups, conferences, and local church congregations, and assist in practical benevolent projects for orphans, widows, the homeless and the poor.

In Addition to experiencing the joy of being a blessing to others, past students testify that the NCCT mission opportunity was a pivotal time in which they were challenged in numerous areas of their own lives. Many also testify that the Holy Spirit released in them an increase of boldness to preach the Word of God with power and a greater depth of Compassion of the world.

You are destined for greatness... Thank you for considering NCCT

Habakkuk 2:4

*Behold... his soul, which is lifted up, is not upright in him; but the just shall live by his Faith.*

Dr. J. L. Cook, Ph.D.  
Founder

## Our Program Basis

It is the purpose of the MVCT and NCCT (Administration / Main Campus) to provide continued education programs to students who are unable to attend full-time classes on the Main Campus. This can be accomplished through our external studies program. We believe that we offer the finest Christian education available in a streamlined fashion.

## What We Believe

We are a fundamental, evangelical, Bible-believing school based upon canonized Old Testament and New Testament scriptures as the inerrant and infallible Word of God. We accept that the Bible is God's instruction manual for life, and it is not open to any single or denominational interpretation but is written to all mankind.

It is our belief that God created the earth and the universe in six literal days and that Jesus Christ is the Son of God, born of a virgin. We believe that Jesus died on the cross at Calvary, arose from the dead three days later, and now sits at the right hand of God as our High Priest. We believe that those who have been born-again through the blood of Jesus Christ will reign in Heaven for eternity.

## **Staff and Faculty**

Any corporation, institution, or government is only as good as its people, and they are its most valuable asset. The NCCT has been richly blessed with quality staff and faculty. From the office of its president to the administrators and professors, you will find each individual ready and willing to assist every request. Our people are dedicated and loyal to the task of promoting God's Kingdom through quality Biblical education.

## **Curriculum and Reference Materials**

The NCCT seeks to offer the highest quality curriculum and reference materials. Resources and subject to change, at the discretion of the Executive board of Directors, and not all subjects are offered every year.

## **Students Nondiscrimination Policy**

Mountainview College of Theology admits students of any race, color, national or ethnic origin with all rights, privileges, programs, and activities generally accorded or made available to students of NCCT. Mountainview College of Theology does not discriminate on the basis of race, color, national or ethnic origin in administration of its policies, loan programs, or other school administered programs.

## Statements of Standards

All students are required to give a testimony of having accepted Jesus Christ as their personal Savior and Lord. Each student is expected to conduct himself/herself in a manner that will, at no time, bring reproach upon our Savior or upon Mountainview College of Theology and NCCT.

All students must be a working part of a local church time spent in participation within the local church will be logged and turned into NCCT. These hours are figured into the students semester credit hours as personal ministry. God's Word demands that we be doers of the Word and not hearers (or students) only.

**Application Fee - Tuition - Payment Plan**  
A non-refundable application fee of \$60.00 must accompany all applications. Upon approval of application, one-third of tuition, plus cost of textbooks, is due at registration. Please note that no textbooks will be released without pre-payment. Remaining balance of tuition and other applicable fees must be paid in full by April 15th of each school year. Any transferred or life-earned credits will be assessed at \$2.00 per credit hour.

## Life-Earned Credits

Mountainview College of Theology recognizes life-learning experience and will issue credit for such experience. However, such credit must be determined by NCCT Administration / Department Head at the candidate's evaluation process.

## Transferred Credits

Mountainview College of Theology reserves the right to allow, or not allow, credits earned at other institutions for similar courses taken at that institution.

# MOUNTAINVIEW COLLEGE OF THEOLOGY ACCREDITATION

If the sole purpose of needing an education is for the Gospel ministry or related field within Christian ministry, secular accreditation is not necessary or required. All Christian churches accept quality Christian education regardless to which accreditation group, if any, the referenced institution belongs. If study is for purpose other than ministry, such as business administrator, engineer, lawyer, etc., students should apply to an institution that belongs to a regional accrediting association. In secular education, regional accreditation is essential. For education of those in Christian service, secular accreditation does little more than typically make the tuition beyond the reach of most ministers.

However, NCCT has been able to secure full accreditation through Transworld Accrediting Commission International (inquiries, please write: Transworld Accrediting Commission International, 231 E. Alessandro Blvd, Suite A-210, Riverside, CA 92508 or call 951-9015586) and through Accrediting Commission International, Inc (inquiries, please write: Accrediting Commission International, Inc., PO Box 1030, Beebe, AR 72012). We have been able to secure these private accreditations and keep tuition costs at a minimum. We are proud to be associated with these accrediting institutions for Christian schools and colleges in the United States and abroad.

NCCT is a member and independent subsidiary of the Accrediting Commission International, Inc. This accrediting association is not formally recognized by the U.S. Department of Education, and NCCT has chosen not to be affiliated with any state or federal governmental agency. NCCT operates legally as an exempt educational institution in and out of the state of North Carolina

## Very Important

The appropriate state University of North Carolina authority has declared the relevant degree program of study exempt from requirements for licensure under provisions of North Carolina General Statutes Section G.S. 116-15(d) for exemption from licensure with respect to religious education. Exemption from licensure is based upon assessment of program quality under established licensing standards.

## Statement of Purpose

NCCT, as a Spirit filled evangelical community, is dedicated to the preparation of men and women for effective, Spirit-filled leadership and Christ-like servant-hood in the church in the marketplace, and into the world.

## Mission

As a Spirit-filled institution designed to equip men and women for effective and Godly leadership, MVCT and NCCT is established to train Christian servant who will become spiritually vibrant, Biblically strong, theologically balanced, Spirit-empowered, ministry-equipped, and culturally sensitive. The college seeks to integrate Biblical and theological training with practical skills essential for effective witness and ministry and to provide a scriptural balance of:

- Sound theology with spiritual passion,
- Biblical exposition with prophetic insight,
- Patience in tribulation with expectation of the miraculous,
- Pastoral sensitivity with evangelistic fervor,
- Commitment to character with a quest for the charismata,
- Kingdom growth with personal maturity.

Seeking to prepare men and women called by God for Christian servant-hood and to rekindle and renew those already serving the Body of Christ, MVCT and NCCT shares the responsibility with the local church to raise up spiritual leaders to hear the voice of God, to communicate the Gospel with vitality, to lead with authority, to minister with compassion, and to convey the resurrection power of hope with conviction.

## Philosophy

MVCT and NCCT recognizes the primacy of the spiritual truth revealed in the Bible and incarnate in Jesus Christ and acknowledges that all truth, wherever it is found, is of God. All truth finds its unity in God. MVCT and NCCT also recognizes the role of the Holy Spirit in interpreting God's truth in accordance with the words of the Lord Jesus Christ, who instructed His disciples that "When He, the Spirit of Truth comes, He will guide you not all truth." (John 16:13)

MVCT and NCCT recognizes that the Father has shown us truth through Christ in nature, history and above all, in Scripture. Thus the Bible, as the authoritative Word of God, is central in the quest for knowledge. Its principles and precepts are integrated throughout MVCT and NCCT's curriculum and are foundational in the school's basic philosophy of education.
